LB 1030

would get a \$10.00 fee, any additional services at that location would receive \$2.50 for each serving of the document and then there is just some...a couple of technical changes that are made in 223 also. With that, I would try to answer any questions if anyone has any. If not, I would just urge adoption of this amendment to LB 1030.

PRESIDENT: Thank you. Senator Coordsen, please.

SENATOR COORDSEN: Thank you, Mr. President. I only stand to also urge the advancement of this bill. Last year when we changed the sheriff fees, they were changed to allow the sheriff departments to more easily collect the costs of the services and then, in doing that, some of the abilities that were given to the sheriffs' departments were in excess of their costs. This particular bill basically brings those fees more into line with the actual costs of serving the processes or performing the responsibilities. So I would urge its adoption too.

PRESIDENT: Thank you. Senator Lynch, please.

SENATOR LYNCH: Question.

PRESIDENT: That won't be necessary, but thank you. Senator Baack, did you wish to close? The question is the adoption of the Baack amendment. All those in favor vote aye, opposed nay. Help, help! Record, Mr. Clerk, please.

CLERK: 26 ayes, 0 nays, Mr. President, on adoption of the Baack amendment.

PRESIDENT: The Baack amendment is adopted.

CLERK: Mr. President, Senator Chizek would move to amend the bill.

PRESIDENT: Senator Chizek. Is anybody authorized to Senator Chizek's? Ashford...Senator Ashford, are you going to take Senator Chizek's bill...Senator Chizek's amendment, Senator Ashford?

SENATOR ASHFORD: Yes. Which amendment is this? Which amendment is this?

CLERK: AM2576, Senator.
